

Provincial Exam Preparation – Science 10

Options Solutions wants to help students get prepared for the Science 10 Provincial Exam. The Science 10 Provincial Exam covers three curriculum areas: Life Science (28%), Physical Science (56%), and Earth & Space Science (16%). These sessions cover all the skills you will need for successful studying and exam writing.

- **Mock Provincial Exam Session:** Students complete a three-hour practice exam, followed by a two-hour debrief of the marked multiple choice questions.
- **Super Study Session:** Receive test-taking tips, instruction on exam content, and review sample questions as a group.
